Detroit LASIK announced their official grand opening in Detroit, MI. Located in downtown Detroit in the Trinity Health building, their state-of-the-art laser vision correction center is ready to offer patients custom LASIK procedures designed to fit their individual needs.

As part of the grand opening, Detroit LASIK is offering free seminars to inform patients about the procedure and its risks, benefits, and cost. Many other questions that patients frequently ask regarding the LASIK procedure will be answered at the seminars as well. To sign up for a free LASIK seminar, patients should contact Detroit LASIK using the toll-free phone number: (866) 526-1304.

The Detroit LASIK staff and surgeons are ready to begin helping Michigan residents see clearly through laser vision correction services.
